

BORG & BECK

CLASSIC CLUTCH

Borg & Beck is an established world-wide supplier of premium quality automotive components to the vehicle aftermarket, with over 100 years of engineering excellence and OE pedigree.

As the original supplier of Clutch to the majority of British built vehicles dating back to the 1930's, the Borg & Beck brand is world renowned and is today distributed into the Automotive Aftermarket by us at First Line Ltd.

Why choose Borg & Beck?

- Offering an extensive range of over 40 Classic Clutches covering more than 200 applications
- Original Equipment pedigree
- Full range 100% new product
- Technical test facility for quality control, product development and support

Offering a broad range of OE quality replacement parts for all current makes and models, we are also proud to offer a comprehensive range of Clutch for Classic Cars. Consisting of over 40 references the range caters for more than 200 applications, dating back to 1935 and covers all the much loved Austin, MG, Morris and Triumph models.
